## Cruises and Super Cruise Update

Ok, so to those of you who like the rain, have you had enough? Because of the rain we were only able to get 1 cruise in so far. If the rain doesn't let up soon we won't have a cruise season.

The Super Cruise is coming up August 2nd. This is a big charity event for us so we need to have no rain that day! So start thinking pleasant thoughts of a warm sunny day.

We will need help setting up the night before and also the day of the Super Cruise. We will also need help throughout the day.

We will be at the Washington Crown Center on Saturday around 8:30 pm to start roping off the lot. We will be there on Sunday at 8:00 am to set up tables and the Chinese Auction stuff. If you are able to help out at either or both times, just show up and lend a hand where needed. If you have any questions contact me at 724-263-3335.

We are also in need of donations for our Chinese Auction. If you could donate an item or are able to contact a business to ask for a donation it would really help. If you need a donation form I can supply you with one.

Just a reminder the Mall will be open and Food is available in their Food Court.

Mark you calendars now for August 2<sup>nd</sup> and come out and support and help us make this the biggest event our club has ever had!

Jamie

## A Celebration of Ice Cream Car Cruise

Just a reminder about another planned activity for our club....Sunday, **July 19** from 4 to 8 p.m. Plan now to join your fellow *Washington Cruisers* at the Springhouse restaurant and bakery, located at 1531 Route 136, Washington PA 15301.

There will be dash plaques for the first 50 cruisers and a discount coupon for an ice cream treat. The coupon is good for the car owner and their 'back seat' driver. We will be entertained by live music, and will have a 50/50 drawing to support our fund raising.

The Springhouse, **one of our newest sponsors**, is a favorite of locals. Their eats are made from scratch, the bakery items are yummy and the 'old fashioned' feel of the restaurant/bakery/store add to the ambiance. Plan to have dinner there...let someone else do the cooking! Our rain date for this cruise is July 26, but we are hoping that July 19 is a dry day...hope to see you at the Springhouse. Get back to me with your questions.

## Welcome new members

Rich & Barb Kohl and their 2010 Dodge Challenger SRT 8 and 2012 Chevy Camaro.

Jeff & Kathy Russo and their 1988 Ford Mustang Custom.

Ken & Bobbi Striganivicz and their 1983 Chevy Pro-Street Camaro.

Mario Desch and his 2011 Ford Shelby GT 500.

Dennis & Judi Fredericks and their 1967 Pontiac GTO

Floyd & Barbara Thomas and their 1929 Ford Model A.

## Another Perk for Our Members

One of our newest sponsors, Wabellco Federal Credit Union is offering membership in the Credit Union to members of the *Washington Cruisers*. In this case, you do not need to work for any certain employer...just be a member in good standing with our car club.

Wabellco Federal Credit Union is a not for profit collective savings institution that began in 1955 and continues to this day. Their goal is to provide members with financial products and services to meet your needs, at reasonable rates. Remember, at a credit union, unlike other financial institutions, the members are the owners.

Located at 1277 Park Avenue Washington, PA 15301, the office is convenient, but also offers on line banking, and some of the best interest rates for savings or loans in our area. If a new, or new to you, car or major purchase is on your horizon you will want to check out the loan rates at Wabellco. Website information is <http://www.wabfcu.org/>

If you have questions, or want to become a member, just call Jenny Dunmore, manager, at (724) 225-7522. Make sure you tell her that you are a member of the *Washington Cruisers* car club. You might also want to thank her for Wabellco's support of our club's activities.

## My Apologies

I forgot to welcome new members Kenneth & Pamela Mary and their 1971 Pontiac GTO.

They joined in February and I forgot to add them to the list.

Again I apologize.

Jamie

## We Had a Good Time

June 22, 2015...finally, a sunny, dry day, and just one day after the equinox, so there was **plenty** of daylight, even into the evening. Some of our *Washington Cruisers'* members took our suggestion to do something a little different and headed for Lowellville, Ohio, for the Cruising the River weekly Monday night cruise, hosted by the local businessmen's association. Their website is <http://www.lowellvillecarrcruise.com/>

The evening also happened to be a fundraiser for the local Lions Club, who raise funds to help folks with eye problems and other disabilities. The evening was kicked off by a beautiful live rendition of our *National Anthem*, by trumpet soloist, Joe Balone, a member of the Lions Club. It gave you goose bumps as the notes echoed through the town...!

In addition to roughly 300+ cars, motorcycles and trucks, (including a good number of beautiful hot rods) there were also many food vendors, a D.J., a 50/50 drawing, a Chinese Auction, and did I mention the turtle races?!? The *Call To The Gate* was provided by trumpeter Joe, and it sounded a bit like the Kentucky Derby. Cruisin' Times Magazine was also in attendance doing interviews and taking pictures...you may see some of the *Washington Cruisers* in the crowd shots.

Close to the end of the evening, the weather threatened (so what else is new), folks packed up and headed up the hill, away from the river...and headed home. We will plan another outing to Lowellville for our club next year...hopefully you will be able to be there.
