Annual Membership Meeting

The annual membership meeting was held on January 14th. There were 23 members in attendance. The financial report was passed out and approved. Nominations to the board were held and the board members were chosen.

Ken Foutz was re-elected to a 2 year term. We had 5 open board positions with Mike Leichty retiring from the board and Tracey Seibert and Renee Darnell declining to stay. We also had 2 vacant positions.

Scott and Amy Manko have agreed to fill 2 positions. We had no one who wanted to fill the other 3 positions. Therefore the board only has 9 members.

We also discussed the upcoming events as well as ideas to get more people to attend our events. We are also planning a few road trips.

At the February board meeting, positions were decided and here are your board members and positions for 2013.

The easiest way to find something lost around the house is to buy a replacement.

Just for Laughs

When our lawnmower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. But somehow I always had something else to take care of first, the shed, the boat, making beer... Always something more important to me. Finally she thought of a clever way to make her point.

When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time and then went into the house. I was gone only a minute, and when I came out again I handed her a toothbrush. I said "When you finish cutting the grass, you might as well sweep the driveway."

The Doctors say I will walk again, but will always have a limp.

My wife and I were sitting at a table at her High School reunion. She kept staring at a drunken man swigging his drink as he sat alone at a nearby table. I asked her "Do you know him?" "Yes", she sighed.

"He's my old boyfriend. I understand he took to drinking right after we split up those many years ago, and I hear he hasn't been sober since."

"My God!" I said, "Who would think a person could go on celebrating that long?"

And then the fight started...

I rear-ended a car this morning.. the start of a REALLY bad day! The driver got out of the other car and he was a Dwarf!! He looked up at me and said "I am NOT Happy!" So I said. "Well which one ARE you then?"

That's how the fight started...

Donations

If you have any unwanted, new item you would like to donate for our Chinese Auction, contact any board member.

Car Show

We are in need of sponsors for our Car Show trophies. If you know of a business or person who would like to sponsor or could help us to get trophies sponsored, contact Jamie at 724-263-3335. Even though the Car Show is not until July, we need to get started organizing now.

INFLATION: Cutting money in half without damaging the paper.

YAWN: An honest opinion openly expressed.

Winter tips from the Web

Wax the Lights

Okay, we admit it's a little detail, but in winter's gloom and short days, every last lumen you can squeeze out of your headlamps is going to improve your safety.

Here's an easy two-minute drill: Make sure the headlamps are clean of dirt, rub car wax (any type will do) on the lamps, let it dry and buff it off. Repeat. For bonus points, do the taillights.

The slippery surface you leave behind will be less likely to build up an "icicle" coat when road slush refreezes on your car -- and will make it easier to remove it if it does.
