Car Cruises

Well, the cruising season is almost over. If you have not attended any of the cruises this year, you don't have much time left. Dust off your car/truck and plan on coming to the cruises. The remaining cruises are listed at the end of the newsletter.

Chick'n Wire and Duck Tape

I was doing some body work on my car last weekend and I ran out of Chik'n Wire and Duck Tape... (That's how my dad taught me to do it)....So off to Home Depot I go, To pick up my auto body supplies..

I am searching the isles at Home Depot for about a half an hour with no luck when along comes Cindi, the Home Depot customer service person, (she looks to be about 12), and asks me if I need help finding any thing.

I say "Yes where do you keep the Chik'n Wire?"

She looks at me like I am speaking French...

I repeat "I need Chik'n Wire"...again, French?

"Yes, Chik'n Wire, Chik'n Wire,"

She says "Ohhhh you mean Poultry Screening" "I'll go get you a role".

As she walks away I said "While you are at it, might as well grab me a role of Duck.....I mean.....Water Fowl adhesive...." **MIKE**

Christmas party

This years party will held again at Hugo's restaurant in Brownsville. The date is Saturday Dec. 10th. Info to come in the next newsletter.

I would like to thank Tim at Advance Auto for donating all of our second chance 50/50 gifts for our cruises and show.

Secrets to a long happy marriage
An old women was sipping on a glass of wine, while sitting on the patio with her husband, and she says "I love you so much I don't know how I could ever live without you"...Her husband asks "Is that you or the wine talking?".. She replies "It's me.. talking to the wine.

A new teacher was trying to make use of her psychology courses. She started her class by saying, 'Everyone who thinks they're stupid, stand up!' After a few seconds, Little Larry stood up. The teacher said, 'Do you think you're stupid, Larry?' 'No, ma'am, but I hate to see you standing there all by yourself!'

Little Larry attended a horse auction with his father. He watched as his father moved from horse to horse, running his hands up and down the horse's legs and rump, and chest. After a few minutes, Larry asked, 'Dad, why are you doing that?' His father replied, 'Because when I'm buying horses, I have to make sure that they are healthy and in good shape before I buy. Larry, looking worried, said, 'Dad, I think the UPS guy wants to buy Mom??

Car Show

This years car show went off without a hitch, other than yelling at the 5 trucks for not being out of the lot in time. The attendance was down, but we still were able to make a profit. Thanks to all of the Lady judges, the guys who parked cars and Johnny and his crew for running the Chinese Auction. Another thank-you to Bob and Karen for the Hot Wheel donations. A special Thank-you to Mike for building all of the trophies and for putting up with me and my “craziness” while organizing the show.

Super cruise

The weather did not cooperate for the Super Cruise, although it never rained. We only had 57 cars attend. We were still able to make a profit (although small). Thanks to Stush for setting things up with Penn Commercial School for the use of their lot. Thanks to Tracey for getting the dash plaques sponsored by Xtreme Cycles. Also a big thank-you to the guys who collected the donations at the entrance. Thanks to Mike for running the Chinese auction and Gloria for helping. Thanks Ken for organizing the vendors. Also a big thank-you to those who helped set up and take down both Sat. and Sun.

Another thank-you to Dennis (DJ) for all of his hard work.

A blonde was driving home after a game and got caught in a really bad hailstorm. Her car was covered with dents, so the next day she took it to a repair shop. The shop owner saw that she was a blonde, so he decided to have some fun. He told her to go home and blow into the tail pipe really hard, and all the dents would pop out.

So, the blonde went home, got down on her hands and knees and started blowing into her tailpipe. Nothing happened. So she blew a little Harder, and still nothing happened.

Her blonde roommate saw her and asked, 'What are you doing?' The first blonde told her how the repairman had instructed her to blow into the tail pipe in order to get all the dents to pop out. The roommate rolled her eyes and said, 'Uh, like hello! You need to roll up the windows first.'

Merchandise

Merchandise can be purchased throughout the year. Contact Jeff at 724-228-8882, if you would like to purchase any merchandise.

Helpful hints

U.S. Postal service sent out a message to all letter carriers to put a sheet of Bounce in their uniform pockets to keep yellow-jackets away.

It will chase ants away when you lay a sheet near them. It also repels mice.

Spread sheets around foundation areas, or in trailers, or cars that are sitting and it keeps mice from entering your vehicle.

It takes the odor out of books and photo albums that don't get opened too often.

It repels mosquitoes. Tie a sheet of Bounce through a belt loop when outdoors during mosquito season.

Eliminate static electricity from your television (or computer) screen.

Dissolve soap scum from shower doors. Clean with a sheet of Bounce.
