## Super Cruise

The weather was perfect for the Super Cruise on August 4<sup>th</sup> and we had close to 200 vehicles in attendance. The attendees were very generous and we were able to raise a good amount for the Ronald McDonald House Charities. This year's Chinese Auction was the biggest it has ever been and many people went home with some great items. The winner of the 50/50 donated all of his winnings of \$308.00 back to the club.

A special thank-you to Chambers Insurance for sponsoring the Dash Plaques and Gas Cards. Thank-you to Washington Crown Center for allowing us to use their lot to hold the cruise. Thanks goes out to all of the members that helped with the event. Let's hope next year's Super Cruise is bigger and even better.

All of this wouldn't be possible without the support from those who donated items.

## **New Members**

Welcome Jerry & Ann Dixon and their 1968 Plymouth Road Runner & 1968 Dodge Dart.  
Michael & Susan Gural and their 2003 Ford Mustang GT.  
William & Patsy Phillips and their 1997 Chrysler Convertible JX1.

## **With Sympathy**

We lost a member of our cruising family. Bob Beatty recently passed away. Our thoughts and prayers go out to Paula Beatty and her family.

## **Get Well**

Wishing Bill Norcutt a speedy recovery after his recent surgery. Get well soon so you can come cruising again.

## **Make-up for Marque Nights Cruises**

We recently have been asked, "Will you have a make-up cruise for the rained-out cruises?" Well the board has decided to combine the last cruise on October 5<sup>th</sup> with all of the rained-out cruises. This way the "Marque" of the nights, that we didn't have, get a chance to participate. Each "Marque" will have their own chance at a **gas card** drawing. The Halloween costume cruise will have a drawing as well. As of this newsletter the rained-out cruises were Antiques (May 4<sup>th</sup>) and Corvettes (June 15<sup>th</sup>).

## **Update/FYI**

Due to extremely hot weather, and construction, some of our assisted living facility cruises were cancelled or rescheduled. Here is the info on the remaining cruises:

On September 8 (Sunday) **Premier Health**, 36 Old Hickory Ridge Rd., Washington, PA 15301, 11:00 a.m. to 2:00 p.m. The rain date for this cruise is Saturday, Sept.14.

On September 29, (Sunday) **Transitions Health Care**, 90 Humbert Lane, Washington, PA, 15301, 1:00 to 3:00 p.m. There is no rain date for this cruise.

Please remember these are small cruises because of the **very limited** space at these facilities. Thanks to those of you have already signed up with Rosalie. However, for these remaining cruises there is still room for a few more cars. Contact Rosalie if you are interested. 412.979.6916.

## **New Member?**

Have you recently become a new member? Stop down to the table at the cruises and introduce yourself. The board members would like to get to know you. With all of the new members, we don't want you to feel left out. If you would like to come to a board meeting sometime, we could let you know when we meet. We need more members getting involved with the club and this would be a good start to see what the club is all about.

## **October Trunk and Treat**

This year for our last Cruise of the season we will be having a Halloween themed cruise. Anyone coming to the cruise can wear their Halloween costumes – costumes are optional. There will be a trunk and treat for the children – those cars in the cruise willing to participate can have candy in their trunks to treat the children as they come by. There will be a \$25.00 gas card giveaway for those who dress in Halloween costumes.

## **Save the Date**

The Washington Cruisers will be having our Christmas party on Sunday, December 8<sup>th</sup> at the Chartiers Township Community Center located next to the Chartiers Houston High School in Houston. We will have a catered buffet - the menu and price are being finalized. We will have the center all to ourselves, so there is plenty of room for attendees. Members are permitted to bring guests. There will be more information and a registration form in the November newsletter.

## **As You Requested**

Toward the end of last year's cruise season, some of our members asked when we were going to have jackets with the Washington Cruisers logo available for sale. The question was also raised at the club's annual membership meeting this past January. We heard you and we listened. We have had samples available at each of the cruises beginning with the June cruises, and some of our members have placed orders.

The Washington Cruisers jackets have started arriving, and they look sharp!! Members who ordered and received them are pleased. If you are interested in purchasing a club jacket, please stop at the table at the September 7<sup>th</sup> and September 21<sup>st</sup> cruises. Those cruises will be your last opportunity to purchase jackets this year.

## **Summer is Almost Over**

It's hard to believe the end of another cruising season is quickly approaching. Winter will be upon us and we will be wishing for warmer weather. You still have time to make it to the three remaining cruises. Come out and support the club to help raise money for the Ronald McDonald House Charities.

## **Just for Laughs**

Apparently, I snore so loudly that it scares everyone in the car I'm driving.

A dad is washing the car with his son. After a moment, the son asks his father, "Do you think we could use a sponge instead?"

My sister bet me I couldn't make a car out of spaghetti. You should have seen her face as I drove pasta.

I've never once been able to explain my car trouble to a mechanic without resorting to sound effects.

Someone just honked their horn to get me out of my parking space quicker so now we will both be here until we're dead.

Two cheese trucks ran into each other. De brie was everywhere.
