Cruise Season

Our McDonald's cruise season has come to an end. It was a successful one-only two rainouts. A big thanks to our board members who helped out each cruise wherever they were needed. A big thank-you to Renee Darnell who helped at the cruises selling 50/50 tickets. Another thank-you to all the club members who attended regularly. Looking forward to 2023!

Birthday Party Celebration

The Washington Cruisers held their 30th Birthday Party on Saturday, October 22nd at Taylorstown Presbyterian Church. There were about 25 members there. It was a beautiful day (actually nice enough to have a Car Show!!). It was a covered dish dinner with a birthday cake and ice cream for dessert.

Tim Lemley brought a lot of memorabilia. It was nice to look back at the pictures and read about the history of the club. It was a nice time to sit and chat and find out what interests the members have. A game was played that selected a Cruiser of the Year – Tom Shanor who received a gift bag and a free membership for 2023.

This is the first time we tried an event like this. It could be the beginning of a new tradition. Thanks to all who came and helped make the night a success.

Thanks to Cheryl for organizing the party and Tim & Sharon for organizing the memorabilia.

Getting to Know the Members

Some say “Diamonds are a girl’s best friend”. I say why not a Chevy Pickup Truck!! I have known for a long time that I wanted a 1952 (because that’s the year I was born). The prices were way too much or they were clear across the county....so it was just a dream.

My husband, Donnie (Monk) likes to go to Canfield to sell his treasures. Tim Lemley is his traveling buddy. Tim found this truck on one of his adventures thru the fairgrounds. When Donnie went to check on it, it was gone. ☹ Was it sold or just taken back home?? Call it luck or fate, Tim had taken a picture of the truck with For Sale sign with a phone number on it. Called the guy and he still had it!! Headed to Bloomingdale to check it out. It was parked in his driveway and as soon as we descended down the hill and I saw the roof, I knew I had to have it. It was meant to be! Thanks Tim!!

It is a steel body with a rebuilt 355 engine, 700R4 transmission, 1985 S-10 long bed frame, Lokar shifter.

It’s not perfect, but it’s perfect for me.
