### Getting to Know the Members

Most people have a favorite vehicle...Ours is "Now" the Corvette.

After owning several sports cars over the years such as, my very first car a 1967 Mustang GT while still just a "Kid", then moving on to a Mustang Mach 1, then a Camaro SS, then to a Nissan 350 Z Roadster. After all of those we finally decided to go for a 2007 Corvette. Even though all the others were nice the Corvette just felt different. Then came the Mid-Engine Styling in 2020, I have to admit, it really caught my eye. Although you couldn't readily get one, I found a 2LT that just did not have all the Bells & Whistles, then the very next morning the 3LT pictured below came to light. I received a call from the dealer and by mid-day it was ours. We Love it! Chevy Did a Great Job on the Mid-Engine and the styling. Plan to keep it for a while....!

2020 Corvette Stingray Coupe - 6.2L V8 3LT Z51 495 HP, 8 Speed Dual Clutch Transmission and has every available option
