CRUISE SEASON

Another cruise season has come to an end. Unfortunately, the weather did not cooperate very well on our cruise nights - we had six cancellations. A big thank you to everyone who helped to make our cruises a success - DJ Dennis, members who manned the table, and all who attended on Saturday nights. Looking forward to the 2024 season.

End of the year party

The McDonald's Cruising season was capped off with its 2nd End of Year party on Saturday, October 21st at the Taylorstown Presbyterian Church. There were 20 members in attendance (4 were not able to attend due to health issues. Feel better soon!!). It was a covered dish event. The food was great but the fellowship was even better. It was a good time to get to know each other just a bit better. Since it was an indoor event, there were no worries about the usual Saturday night rainout. Looking forward to another successful cruising season! See ya' soon!

Thanks to Cheryl for organizing the party.

Cruising season 2024

Our cruise season may be over for the year, but the board will be hard at work preparing for next year's events. We will secure locations for the Saturday cruises and Super Cruise. We will line up sponsors and collect donations for the Chinese Auction and giveaways. If you are able to help with sponsors or get donations, contact any board member.

Website

If you were unable to attend our events this year, take a look at our website and see the great pictures Brent took of the cruises. Thanks Brent
