Welcome

At our March board meeting, club member Mike Sinozich agreed to fill the vacant board position. We now have a full 12-person board. Thanks, Mike, for stepping up to help us out.

Merchandise

We hope to have our 30th anniversary t-shirts available at our first cruise. It will depend on the printer being able to finish them in time. A special thanks to Jennifer at JD Engraving for designing the anniversary t-shirt logo. You can contact Tim @ 724-255-8900 if you have any questions.

McDonald's Cruises

Our first cruise is Saturday May 7th 5:30-8:30pm. We have permission again this year to use the office building lot for cruise overflow. There are a few stipulations. There are no car cleaning sprays allowed to be used there, we must clean up the lot afterwards and absolutely NO BURNOUTS!!

Super Cruise

We have secured the Washington Crown Center Mall again this year to hold our Super Cruise. We will be around the back of the mall again. We will be needing donations for the Chinese Auction. If you can get a donation or would like to donate an item, contact Jamie @ 724-263-3335.

Sponsors

We have been very fortunate this year to have several sponsors of our Saturday Cruises and our Super Cruise. The Saturday Cruise flyers & gas card giveaways are sponsored by Wabellco Federal Credit Union. The Dash plaques are sponsored by Truck-N-Stuff, Washington. McDonald's is hosting the Saturday Cruises.

The Super Cruise Dash Plaques and Gas Cards are sponsored by Chambers Insurance. The Flyers are sponsored by Isiminger's Auto Servicenter and Splish Splash Car Wash. Washington Crown Center is hosting our Super Cruise.

30th Birthday Party

We have set another date for the 30th Birthday Party celebration. The tentative date is Saturday Oct. 22nd at the Taylorstown Presbyterian Church.

Since we are having our 30th Birthday Party so close to our annual Christmas party, we have decided to skip this year's Christmas Party.

We will be asking members to bring a side dish. Look for more info in future newsletters.

Getting To Know the Washington Cruisers

Jim and Judy Yagello have recently joined the board of the Washington Cruisers. They own a 2019 Camaro 2 SS Coupe, Summit White 6.2L (376 cu.in.) 10 speed Automatic. It is a Generation 6.

They bought it off the showroom floor in August, 2019. The engine is a LT-1 with 455 hp and 455 lb.-ft. of torque with 11.5:1 compression. The engine has: auxiliary coolant, oil, transmission oil, and rear differential coolers. The car also has magnetic ride control, dual mode exhaust, limited slip, Brembo's and driver mode selector. The tires are Goodyear Run- Flat 245/40 ZR 20 front and 275/35 ZR 20 rear. For comfort, the car has a power sunroof, heated and cooled black leather seats, Bose and navigation. And lastly, the car has a flow tie.

Fun to drive – Yes, Fast – Yes.

Sad note: GM plans to stop building Camaros again soon.

Some numbers from GM:

0 to 60 in 4.0 seconds

Quarter mile in 12.3 seconds at 116 mph

Top speed is 180 mph
