## Annual Membership Meeting

The annual membership meeting of the *Washington Cruisers Car Club* was held on January 13, 2020 at Panera Bread at Trinity Point in Washington, PA. 18 members attended the meeting. There was a discussion about the number of newsletters the club would have during the year. The discussion was about reducing the number of newsletters from 6 to 5 for a one-year trial. A motion was made to stay with 6 newsletters – that motion passed. It was announced that a picture of our donation check for the Ronald McDonald House Charities was in an article in the Observer – Reporter, and that the club's donations from day one to the present have totaled \$56,200 (all thanks to our members past and present and our friends).

Ballots for election of club board members were distributed, and candidates were finalized for the board. Marcus and Autumn Ralston and Ralph Ullum resigned from the board, and Don Cunningham (Monk) decided to change his mind and run for a seat on the board. Brent Liberatore also ran as a write in. The ballots were tallied, and all 7 people on the ballot were elected to a 2-year term.

Rosalie received a call from the SpringHouse Market and Restaurant – they have decided that the Ice Cream Cruise did not generate enough money for them to continue hosting the event.

Jamie talked to the new manager of McDonald's – we are good to go again this year in the upper lot, and still have the side lot for overflow.

## **Need for Board Members**

We are again in need of board members. With the resignation of Marcus Ralston, Autumn Ralston and Ralph Ullum, and having one board vacancy (filled by Brent Liberatore), we are now short 3 board members. This makes working any of our events hard on the remaining board members. The more board members we have, the less work each member has to do. Please talk to any board member about what it is like to be on the board and find out if being a board member is right for you. Your interest and willingness to serve will be much appreciated!!

## **Event Flyers**

The event flyers are ready for the Saturday cruises and the Super Cruise. Contact Rosalie for flyers to distribute – she can bring them to the Saturday breakfasts for distribution to you.

## **Help at Events and Cruises**

If you feel that being a board member is too much for you, we are always looking for help with the Saturday Cruises and the Super Cruise. It doesn't take a lot of time, the help you give also helps our club raise money for the Ronald McDonald House Charities (RMHC) and helps make our events run smoother. Talk to any board member to see how you can help out!

## **Donations for the Super Cruise**

We are starting to gather up items for the Super Cruise Chinese auction. Contact Jamie about donations and donation letters to give to prospective donors. The more items we have to auction, the more money we raise for RMHC!

## **New Venues for Events**

With the loss of the Ice Cream Cruise, and the problems we encountered with the Wild Things cruises, we are down on possible venues for fund raising events. If any member has an idea, or knows of a place where we can hold an event to raise money for RMHC, let Rosalie or any board member know so we can bring it to the board for consideration. We would like to break our record for yearly fundraising, but we need your help to achieve that goal.
